Use or Electrical Equipment at Shows

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices.

Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary or the show before it is used. The Kennel Club has also been informed or recent instances or exhibitors commandeering certain areas or a venue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

Security at Shows

In light of recent events, the Kennel Club would like to issue a reminder to all Societies or the importance or security at dog shows.

The Kennel Club understands that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would reiterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows. The importance of exhibitors realising that they and their dogs are safe when attending a show cannot be underestimated. We would, therefore, remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors generally need to be vigilant and alert.

Furthermore, the society should provide robust notification informing exhibitors or where to report to

should they see anything suspicious or of concern, and of the evacuation procedures in place.

likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

- **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs or their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach or Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Right to Refuse Entries. Exhibitors/Competitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

17. Not for Competition entries will be accepted. Dogs must be entered from 4 months or age, details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

18. No modifications will be made to the schedule except by permission of the Board or the Kennel Club, which will be followed by advertisement in the Canine Press wherever possible.

19. Should any judge be prevented from fulfilling their engagement, the Committee reserves to themselves the right of appointing other judges to fulfil their duties? Exhibitors are at liberty to withdraw from competition but no entry fees can be refunded.

20. Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs or that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.

21. The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.

22. An announcement prior to the date of closing or entries in Our Dogs or any alteration or addition made by the Committee to the schedule or in these Rules shall be sufficient notice thereof.

23. All children must be kept under control and parents will be held responsible for any damage caused and charges incurred.

24. Please do not obstruct gangways with trolleys. Storage space will be made available for trolleys/ cages.

25. If in the opinion of the Show Secretary, Show Manager or Judge any dog is considered not in a fit state for exhibition owing to a disease, savage disposition, or any other cause, the dog may be excluded or removed from the show the dog must not be brought into the Show at any time under any circumstances.

26. No animal other than an exhibit duly entered at the show will be allowed within the precincts or the show during its continuance.

27. The owner, exhibitor, handler or other person in charge of a dog at a Kennel Club licensed event must at all times ensure that the dog is kept under proper control whilst at the licensed venue, including its environs, car and caravan parks and approaches. This regulation applies before (at any time during the setup period at the venue), during the event and afterwards (at any time during the breakdown or the event)

16. Dogs in vehicles on Hot Days Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs or their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach or Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidelines to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.

- When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
- If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
- The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
- Ensure your dog is not sitting in full sunlight. There should be plenty of free-flowing air around the dog.
- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade, for example, a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very
