SECURITY AT SHOWS

In light of recent events the Kennel Club would like to issue a reminder to all societies of the importance of security at dog shows. The Kennel Club understand that due to the nature of dog shows and the quantity of paraphernalia exhibitors bring, it would be extremely difficult for show organisers to take on the issue of security alone, therefore we would re-iterate the advice being given by the Police and security services, that everyone in the UK should remain vigilant and this applies to those organising and taking part in dog shows.

The importance of exhibitors feeling that they and their dogs are safe when attending a show cannot be underestimated. We would therefore remind you of the importance of the need for show organisers and exhibitors to remain mindful of potential dangers and that all visitors to shows generally need to be vigilant and alert. Furthermore the society provide robust notification informing exhibitors of where to report to should they see anything suspicious or of concern, and the evacuation procedures in place.

In view of the above, should you see anything suspicious or of concern, please alert the Show Manager, and/or the Show Secretary immediately. If it is a package or bag you are concerned about, please do NOT attempt to move it or examine it yourself.

Should it be necessary for the hall to be evacuated, please remember that evacuation should be carried out as speedily but as safely as possible, as in the case of a fire. It is important that you do not block the exit routes with cages or bags. Please follow any instructions given to you by the Show Management regarding evacuation procedures.

PRIVACY & DATA PROTECTION

Data Protection – Your privacy is important and personal data is held in accordance with our Privacy Notice which is available upon request from the Secretary.

USE OF ELECTRICAL EQUIPMENT AT SHOW

The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and also other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should PAT tested and permission sort from the secretary or the show manager before it is used. The Kennel Club has also been informed of recent instances of exhibitors commandeering certain areas or avenue in order to have access to power points so as to use electrical grooming equipment. This is totally unacceptable and particularly unfair on the breeds whose allocated areas have been cramped because of this selfish behaviour.

RULES AND REGULATIONS

1. The show will open at 7.30 a.m.
2. Dogs will be received at any time but it is the exhibitor's responsibility to ensure that dogs are available for judging when required.
3. **Judging will commence in Ring 35 at 9.00 a.m.**
4. Exhibits may be removed from the Show after their judging has been completed. The Show will close half an hour after all judging has been completed.

Where the Best in Show is a puppy it should automatically be awarded Best Puppy in Show respectively. Similarly, if the Reserve Best in Show is a puppy which has only been beaten by an adult dog it should also automatically be Best Puppy in Show respectively. Consequently, selection of Best Puppy in Show must follow the selection of Best in Show respectively.
11. **Best in Show** Best in Show must be selected from the exhibits declared Best of Sex. If a Reserve Best in Show is to be selected, the eligible dogs are those declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best Opposite Sex and the Reserve Best of Sex to the exhibit declared Best in Show. The dogs declared Best in Show and Reserve Best in Show must not compete in any subsequent competition.
12. **Best Veteran in Show** Best veteran in show is taken from any veteran competed at the show and is unbeaten by any other veteran exhibited at the same show.
13. Exhibits will not be admitted to Best in Show competition after a period of ten minutes has elapsed since the announcement that exhibits are required for judging, unless they have been unavoidably delayed by previous judging not being completed on time, and then only with permission of the Show Management.
14. Exhibitors must not pick up dogs by their tails and leads when lifting them nor handle a dog in a manner which causes its feet not to touch the ground when on the move. This is not acceptable. Exhibitors should note that such practice would constitute harsh handling and reports of such practice will be referred to the Committee under Kennel Club Show Regulations F11.
15. All exhibitors must be familiar with Kennel Club Regulation F (Annex B) - Regulations for the Preparation of Dogs for Exhibition.
16. All dogs resident outside the UK must be issued with a Kennel Club Authority to Compete number before entry to the show/event can be made. All overseas entries without an Authority to Compete number will be returned to the exhibitor/competitor.
17. **DOGS IN VEHICLES ON HOT DAYS.** Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for action under Kennel Club Rules and Regulations. Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licenced events. When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams. If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all. The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink. Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog. When at the show, never leave your dog in the vehicle. Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated. Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time. Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.
18. **WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.**
19. Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the Board for disciplinary action under the Kennel Club Rules and Regulations. The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
20. Not for competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered.

Judging at Partnership shows

Partnership shows are those which are held where a host society and another club share a venue and facilities in order to allow exhibitors the opportunity to exhibit at two events during the duration of the host society's show. In most cases, the host society's event will be a general championship show held over a number of days. At partnership shows judges must not officiate at one show and enter or handle a dog for exhibition at the other show including exhibiting a different breed on another day to that which they are to judge. Partnership shows are defined as shows where the host club and other clubs share a venue and other facilities to allow exhibitors the opportunity to exhibit at each show.

DEFINITIONS OF CLASSES

(The word DOG includes both sexes)

In the following definitions, a Challenge Certificate includes any Show award that counts towards the title of Champion under the Rules of any governing body recognised by the Kennel Club.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Shows.

In the case of a dog owned in partnership and entered in Members' classes or competing for Members' Specials each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class i.e.: **Friday 20th August, 2021**

Wins in Variety classes do not count for entry in Breed classes but when entering for Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

If an exhibitor reports before the judging of a class or classes that a dog has been entered which is ineligible, the exhibitor may choose one of the following options:-

(1) **WITHDRAWAL:** The dog may be withdrawn from competition subject to the conditions of Regulation F.(1). 19

(2) **TRANSFER:**

a) If a dog is ineligible for a class or classes as regards its colour, sex, weight or height the Show Secretary shall transfer it to the equivalent class or classes for the correct colour, sex, weight or height and, in the event of there being no equivalent class, Minor Puppy and Puppy excepted to the Open class for the correct colour, sex, weight or height.

B) If an exhibit is entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class, which is over age but under 12 calendar months of age, 18 calendar months of age or 24 calendar months of age respectively the show secretary shall transfer the exhibit to the Puppy Class, Junior Class, or Yearling Class respectively for the correct colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct colour, sex, weight or height.

c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct colour, sex, weight or height.

d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

Your dog is vulnerable and AT RISK if left in a vehicle in high temperatures and even on days considered as slightly warm. Please take care of your dog. If your dog is found to be at risk forcible entry to your vehicle may be necessary without liability for any damage caused.

Soft Crates: The Kennel Club has asked that we draw attention to the potential health and safety implications concerning the use of soft crates as in its view, they do not offer sufficient protection to dogs. They have asked that we point out that dogs should not be left unattended in soft crates. There have been instances where dogs have escaped from soft crates which have not been securely fastened to benches, or that have been left at ringside.

We therefore ask that if you use soft crates, you do not leave the dogs unattended, either in the hall, or in an open car in the car park.
