

**SCHIPPERKE HEALTH TESTING**  
Recommended by the Schipperke Club

Earlier in the year we told you we were making arrangements to undertake cheek swab testing for the following tests via Laboklin Laboratory this will be regulated by Lesley Thorne on the day of our championship show Saturday 15<sup>th</sup> October 2022.

**MPSIIIB**

**Von Willebrand Disease Type 1**

  

**Any other cheek swab test undertaken by Laboklin Laboratory**

**Name of test.....**

**e.g bobtail, colour, coat type**

**IMPORTANT - Please put the required number of tests required in the boxes provided.**

Discounted Cost £43.20 for each test for this show only

**Please Remember you need to bring your dog's KC registration papers on the day no worry if you do not have your dogs microchip number we can read this at the show**

**Name.....**

**Address.....**

**.....**

**Payments to the 'Schipperke Club' on the day or prior via Bank Transfer**

If you are not attending the show and would still like your dogs testing we recommend you go to **Laboklin Laboratory** website **and follow their instructions**
